

1) Affordance: We have used Map Symbol as shown below in image. It will direct the user to the region that SSCF is working on right now.

2) Signifier: We had a magnification symbol which is a search button from where users can search any information related to SSCF such as previous years reports, their working areas, their recent reports, etc as shown in the image.

3) Similar Report card: We have used similar templates for the report cards as shown below in the image.
